Mack Bolan's soft probe into terrorist atrocities on Israel's West Bank goes hard courtesy of an American-grown Zionist group called the Samson Warriors. A growing embarrassment to the U.S. Government, these extremists have brought their cause to the homeland, led by a dangerous fanatic in his quest to make Israel a superpower in the Middle East.

Bolan's mission is to eliminate the Samson Warriors before their vicious acts of terrorism turn the region into a combat zone - and jeopardize world peace. If these radicals want to end the world, the Executioner will ensure they get their personal judgment day.
