"That awkward moment when the man you love doesn't know you're a woman"

Callie Picket, the-fat-girl-next-door has a big fat secret. Well, a secret she's been successfully hiding from her oh so sexy apartment neighbor Chris Walker. In their first meeting, he mistakes her for a fat guy and she does nothing to correct him.

Then Chris makes her start going to the gym to lose weight and as the pounds come off, Chris begins to see these changes...like Callie starts to look more girly, and since he's a total playboy and lady lover, he starts getting attracted to her while thinking that she's still a "he". Basically, he thinks he's going gay.

Will Callie ever tell him the truth as her lie begins to take its toll on both of them as she and very confused Chris becomes closer? Or will he be the first to finally see her for what she truly is? A Big Fat Liar.
